Part B- Uceed

QUESTION 1 (MARKS 50)

Rishabh was keeping fruits in the Refrigerator when the landline rang and Meera ran to receive the call. She by mistake ran over the mat kept beside the table. Her father suddenly hold her from falling. Draw the complete scene along with the necessary

Furniture and interiors.

Sketch out the scene using pencils

Please note- you will be evaluated on the basis of-

- Imagination
- Observation
- Composition

QUESTION 2

Summertime means there is excitement in the air, Pina coladas in our hands, and of course beads of sweats on our foreheads. With summers comes an increase in usage of air conditioners and we know they are not exceptionally healthy for the planet. Design a common standing fan with the sustainable approach, for middle class. Talk about the features through specifications or write the design concept in not more than 60 words.
